

# Affordable and Sustainable Health Care Project

## NEWSLETTER – Assembly 5 – September 15, 2006

On September 15, 2006 85 people of different ages and representing different stakeholders gathered at the Josephinum to continue the journey of discovering Affordable and Sustainable Health Care for all in Franklin County. About 3/4<sup>th</sup> of the attendees had attended one or more previous assemblies.

### Purpose of Assembly 5

- State progress from previous assembly
- Identify 3 innovation activities to work on together
- Define the path forward

Version 2.0 of the purpose of the health care system was shared with the assembly – they were asked what excited them about this statement.

### Purpose Statement V.2.0

The purpose of the health care system is to provide affordable & sustainable health care that supports optimal health & wellness for everyone in our community.

### What excites me about the Purpose statement?

Affordable & Sustainable  
Optimal Health & Wellness  
For Everyone  
Hopeful

The Assembly was then asked to identify the activities from Assembly 4 that might have the greatest potential for fundamentally shifting the health care system. There were four activities identified and at the end of the Assembly, attendees were asked to indicate their interest in participating.
